**RECLAIM THE MESSAGE: LIFE, MARRIAGE AND RELIGIOUS LIBERTY
– IT STARTS IN YOUR COMMUNITY!**

Today we face a culture in crisis. The Spiral of Silence has a stranglehold on our culture, spinning a web of lies that threaten to destroy the very fabric of society.

A handful of angry voices seem to control the message on the most fundamental issues of life, marriage and religious liberty. Christians feel threatened, alone, and helpless.

But you are not alone. The Spiral of Silence is fragile, and if one by one we stand up and speak out against the lie, against injustice, against evil, the spiral will begin to unravel, and truth and justice will prevail.
